SITE PLAN 1:1000

The main idea of proposal was to design a completely new building for first grade of elementary school next to the main building and kindergarten, so all of the institutions will create a "campus area", which will offer safe and comfortable spaces for children and their parents.

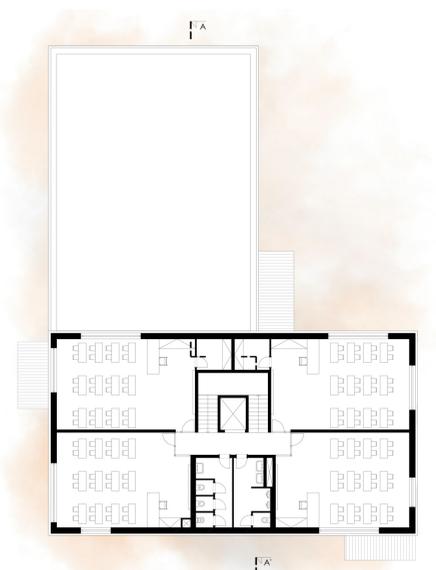

GROUND FLOOR 1:200

1st FLOOR 1:200

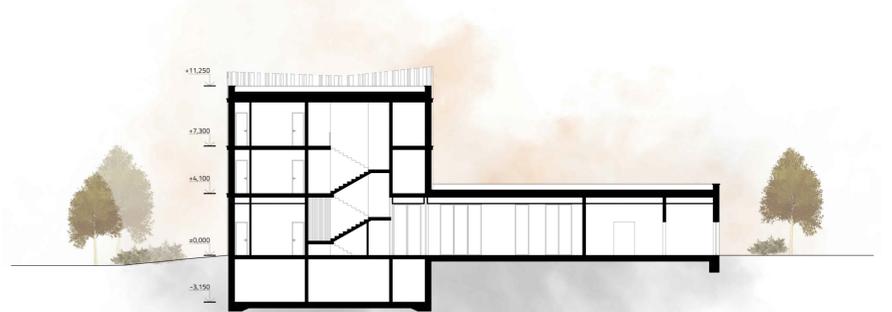

2nd FLOOR 1:200

SECTION A-A'

1:200

1  
 New traffic mode for adjacent roads.  
 Creating a safe square between schools.

2  
 Reconstruction of a playground for children near Sokolovna - a new meeting point for parents.

3  
 Creating a new marketplace on the way between the campus area and the main square.
